NOTES

This examination timetable is correct as of 22 February 2017

Exam Venues

Most exams for IGCSE will be in the MPR. Small exams may well be held elsewhere. Please check emails the night before, where you will a) be reminded of the exams and b) told where they will be held.

English Exam – 10th May – this is for one candidate only, as she arrived after coursework was completed.

Quarantine

Exams, whose times are shown in **red**, require quarantine because two examinations have been scheduled for the same time. This applies only to those doing both subjects.

What this means is you are allowed no contact with the outside world until you have completed both exams. You will therefore be supervised in your breaks and are allowed no access to your phone or computer. You may have to sit very quietly in the exam room until the extra-time candidates have completed their exam.

Example:

22nd May and 26th May World Literature and Business Studies are scheduled to begin at 1pm.

Person A is taking Business Studies only – he/ she will sit the exam at 1pm and finish the exam at 2.30 and then may go home.

Person B is sitting World Literature only – he/ she will sit the exam at 1pm and finish the exam at 2.15 and then may go home.

Person C is sitting both exams. He/ she will start the World Literature exam at 1pm. At 2.15 pm he/ she will be escorted from the room to the junior cafeteria where she/ he may have a break. No access to phones or computers will be allowed and there is to be no contact with the other candidates who have already sat the exam. Bathroom breaks will be supervised. He/ she will be escorted back to the exam room to begin the Business Studies exam at around 2.40 pm.

There is a similar clash between Chemistry and French on 16th May.

Anybody not sitting Chemistry will do French at 1pm. The rest will do it after their Chemistry exam.

French, Spanish and Mandarin listening will be done in rooms other than the MPR. Learners will be advised later.
