ANNOUNCEMENT

We are pleased to announce that PTA have a page on the school website under PARENTS GROUP. We will be able to update parents on a regular basis through our newsletter and event page.

Cupcake Sale

7 February 2014

We got lost on the number of cupcakes baked on that day but we made RM 844.00 for the PTA funds.

A BIG THANK YOU to our "Baking Committee" the work they put in to making the lovely cupcakes and to the members of the PTA who sold them and to everyone who bought one or more.

Secondary Sports Day

17 February 2014

The day started with cloudy skies to hot to scorching heat.

After a long debate on the kind of food that we would sell to our secondary athletes, we agreed on pasta salad, fried rice cooked in olive oil, *nasi lemak* (not so healthy, but sold out within the hour), hot dog and peanut butter muffin.

We made RM 370.00 on that day.

Many thanks to committee members that cooked and baked and to volunteers for your effort and time.
