

# Independence and Interdependence

Learners are learning about:

1	Their own rights and those of others
2	Their own gender and the opposite gender
3	Their own ethnic group and other ethnic groups
4	Their family background
5	Their relationships with others
6	Their ability to acquire new interests and skills
7	Interpersonal skills
8	Diversity
9	Positive and constructive attitudes to competition
10	Taking responsibility for their own actions
11	The links between school and the wider world
12	Caring for the immediate environment
13	The routines, customs and regular events of school
14	Rules, responsibilities and rights
15	Their own rights and those of others
16	Their own gender and the opposite gender
17	Standing up for themselves and others
18	Respecting and interacting with people who are different from themselves
19	Their own particular strengths
20	Strategies for solving conflicts in a peaceful way
21	Taking another's point of view

22	Taking part in group activities
23	Playing alone, alongside and with others
24	Playing an active part in school activities
25	Expressing their own ideas
26	Taking on different roles in different context
27	Acceptable behaviour
28	Expressing disagreement and difference of opinion in appropriate ways, respecting rules about their relationships with others and their environment
